🌱 *Experience*

UX/UI & Lifecycle Designer (Contract) — *Dr. Ruscio Institute*

Sept 2025 – Present | Remote

- Designed and optimized digital experiences across web, landing pages, advertorials, editorial content, email, and promotional campaigns, translating marketing and business goals into conversion-focused customer experiences.
- Redesigned key customer-facing experiences, including Meet the Team, improving information architecture, content hierarchy, navigation, accessibility, and trust across complex health content.
- Partnered directly with developers, marketing, content, and leadership from concept through handoff and QA, balancing user needs, business objectives, technical constraints, and implementation quality.
- Built scalable Figma components, responsive page patterns, and reusable design systems to streamline production and maintain consistency across web and lifecycle channels.

Lead UX/UI Designer — *Giddy Holdings*

Apr 2024 – Apr 2025 | Austin, TX

- Operated as the sole product designer across Eddie by Giddy, Get Me Giddy, and Ask Giddy AI, owning design across e-commerce, media, mobile, growth, and marketing experiences.
- Combined behavioral analytics, user interviews, and A/B testing to identify friction and drive CRO initiatives contributing to **+28% traffic, +129% engagement, and conversion lifts up to 239%.**
- Built and maintained **4 Figma design systems with 150+ reusable components**, creating scalable patterns and engineering-ready documentation across web and mobile products.

UX/UI Designer — *Giddy Holdings*

Mar 2023 – Apr 2024 | Austin, TX

- Delivered **2 end-to-end website redesigns in 5 months**, collaborating across product, engineering, marketing, and paid advertising from discovery through launch.
- Designed and tested **7 conversion-focused landing experiences**, including an exit flow that improved from **2.68% to 6%+** and work that helped increase site conversion from approximately **0.3% to 1.5% within four weeks.**
- Designed **100+ lifecycle emails** and flows for a customer base of 50K+, connecting UX principles with lifecycle strategy, campaign goals, and conversion.
- Supported the Eddie by Giddy Shopify migration, designing responsive e-commerce experiences, interaction patterns, product pages, and early design-system foundations.
